 -  To become a world-class staffing solution provider through our best team of staffing executives and our job portal.
 -  To establish our services on a global arena and cater to the workforce requirements of the clients in their respective cities.

IGPS will enable you to SEEK, CONNECT & SUCCEED.

IGPS

Permanent Staffing Services

We have a vast expertise in providing permanent staffing at various levels and take the sole responsibility of the staffing process:

- 
- Requirement analysis
 - Source profiles from our database
 - Match talent with requirements based on skills, experience and position
 - Set up interviews for short-listed candidates
 - Conduct preliminary interviews
 - Verify references
 - Negotiate salaries
 - Follow-up with the selected candidates to join promptly.

From the Director's Desk

In today's global recruitment scenario, job - seekers face tough competition to find a perfect job and the organization to build their career.

At IGPS, we short - list the profiles, provide training to potential candidates to outperform and guide them to secure their place in the corporate world for an exciting and challenging career.

Knowing the pulse of our clients, we cater recruitment services as per the client's requisites. We believe in a win - win situation for the client and candidate as well. IGPS will assist the job seekers to Seek, Connect & Succeed and delight the employers with the perfect candidates.
